### EXAMINER'S AMENDMENT

1. The after-final amendment filed 12-19-2005 has been entered. Claims 13 and 14 are pending.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kueun Choi on 01-04-2006.

The application has been amended as follows:

*In the claims:*

Claim 13, line 3, after “,” insert --said elongated delivery indicator flagstaff being maintained in a generally horizontal position when said flagged end engages a latch element on said front door;--

Claim 13, line 5, after “means” insert --, whereby when said front door is opened, said latch element releases said flagged end to traverse rotationally backward away from said front door to a generally vertical signaling position by the force of gravity associated with said weighted end--;

Claim 13, line 6, change second recitation of “an” to --a--;

Claim 13, line 7, after “attached” insert --at a pivotal point--;

Claim 13, line 9, change “a” to --said--;

Claim 13, line 10, change “thereof” to --of said weight element-- and change “display always” to --always display--; and

Claim 14, line 2, change “a” to --the--.

3. The following is an examiner’s statement of reasons for allowance: Regarding claim 13, the prior art of record fails to disclose or suggest the system as claimed in detail, specifically wherein the weighted end comprises a weight element pivotally attached at a pivotal point to an indicator flag stand element wherein the pivotal point for the weight element is positioned above the center of gravity of the weight element to ensure an upright display thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Miller whose telephone number is (571) 272-7068. The examiner can normally be reached on Tuesday-Thursday.
